Artù 2111 Chair

Cizeta

The Artù is a timeless seat that recalls an entirely Italian tradition and design, to furnish environments with a sober, modern style. Its minimal and compact structure of refined production of wood material emphasizes the importance of the seat. Produced in chair, armchair and barstool version, the upholstering of the frame and backrest is available in leather and, upon request, in the entire range of colours, finishes and upholsteries of the Cizeta line.
