

Nemea 2820 Chair

Pedrali

Nemea is a collection of classically-shaped seatings, whose visible, light structural elements seem to be smoothed by time, like findings from the Ancient Greece. The chair seems to extend into an athletic pose, with its sinuous legs in solid ash grafted to the die-casted aluminium frame placed under the plywood seat. The embracing, comfortable backrest crowns the seat. Stackable. Available in bleached ashwood, ruby red, cognac and black colour stained. The die-casted aluminium frame placed under the plywood seat only comes in black powder coat and powder-coated in matching colour for RB version only.
