

Dome 261 Chair

Pedrali

Dome is a collection of seatings that brings back to mind the glorious tradition of the bistrot chairs with curved silhouettes and generous shapes. It recalls the domes of the monuments adorning a lot of cities all around the world. Delicate details of the injected polypropylene remember the joints of the solid wood defining a seating without armrests. Perforated shell and seat recall the industrial metal plates.

Technical Specifications

Designer:	Odo Fioravanti
