

Ginger 2126 Chair

Cizeta

Light and comfortable, this chair takes advantage of the thin-cross-sections of its wooden elements in a game of high artisan craftsmanship. The purity of its structural design is emphasised by the seats in fabric and interchangeable upholstery. The Ginger is an eclectic seat: it allows storage by stacking, saving precious space in living or contract areas, from classic environments to the contemporary situations. The Ginger is available in chair and barstool version, in beech or ash wood, in various finishes and colours.
