

Chair Merano

TON

The Merano chair combines the bottom design made of solid wood with harmonic shapes of bent plywood in the seat and backrest. Thanks to the production technology used, it is remarkably light and does not contain any screws or metal pieces. Together with the bar stool, it creates a set with the Merano armchair. We also offer an upholstered version.

Technical Specifications

Designer:	Alex Gufler
Lead Time:	Stocked (2-6 Weeks)
