

## Valerie Armchair

### Miniforms

Valerie wants to be the expression of the archetype of the sitting both in the material used and in the form. It doesn't want to impress but to fulfill its primary function: to welcome. The composition develops the contrast between the essential structure and the seat made of wood. Two languages have a function for each specification: support and comfort.

### Technical Specifications

|              |  |
|--------------|--|
| Designer:    | Giopato e Coombes  |
| Lead Time:   | Indent (12-14 Weeks)                                     |
