

## Beatnik Sound Station Chair

Donar

Beatnik lets you enjoy in your private cocoon in the middle of busy open plan spaces, ensuring audio and visual isolation. Designed as a room- in-room concept, Beatnik not only provides a new quality space within a space but adds a distinctive feature to the surroundings. Beatnik Sound Station Chair features a high-quality Bose 2.1 speaker system with an integrated subwoofer under the seating area. The satellite speakers are located at the upper front part of the chair, creating an impress d system connects to your mobile, tablet or laptop computer wirelessly using Bluetooth or Apple's AirPlay technology.
